EDUCATION

University of California, Santa Cruz   **Sept 2015 – June 2019**

- **B.S. Computer Science**
- GPA: 3.77/4.00
- Related Coursework:
- Algorithms & Abstract Data Types, Data Structures, Database Systems, Computer Architecture, Computational Models, Discrete Mathematics, Computer Systems & Assembly Language

---

WORK EXPERIENCE

SageLegion Inc. – San Francisco, CA   **July 2016 – Sept 2016**
Consultant (Quality Assurance)

- Collaborated directly with founder, front-end and full-stack developers, and Senior Technical Consultant to create process documentation for website – sagelegion.com
- Executed test plans as a member of the Quality Assurance team to report defects
- Identified over 100 errors, created bug reports, and provided reproducible steps and issue-specific data to support the developers via Atlassian JIRA

PROJECTS

Course Enrollment Twitter Bot   **Nov 2017 - Present**

- Designed a Twitter bot in Python that posts new and updated tweets regarding specific UCSC class enrollment information
- Uses Tweepy API for Twitter authentication and various functions
- Uses Beautiful Soup 4 to scrap enrollment-related data from the official UCSC Schedule of Classes webpage

Bayanihan UCSC Website, bayanihanucsc.github.io   **Dec 2017 – Present**

- Currently contributing to the design and implementation of a responsive website for the Bayanihan UCSC student organization
- Utilizes Bootstrap 4 and jQuery to create a robust user experience with designs such as a collapsible sidebar navigation

Simple Newsfeed   **Dec 2016 – May 2017**

- Created a Command Line Interface newsfeed program in Python that aggregates today's articles from 70 different news sources and blogs
- Uses NewsAPI to make queried requests with provided information from user input
- Displays relevant news articles and associated links

LEADERSHIP & ACTIVITIES

Corporate Relations Officer – UC Santa Cruz   **May 2016 – June 2017**
Society of Asian Scientists & Engineers, UCSC

- Collaborated closely with the officer team to organize over 10 club events, at least 10 general body meetings per quarter, and over 10 fundraisers

Mentor for Mentorship Program – UC Santa Cruz   **Aug 2016 – Present**
Bayanihan (Asian Student Organization), UCSC

- Offered one-on-one mentoring, major course-related advice and guidance for student peers

---
